

Belong in this Place workshop - Bird spotting timetable

As you can see from the below timetable and from the site map there is lots going on all over the woodland! Due to this logistical wonderfulness all workshop facilitators will collect you from the centre of the 'village'. They will be holding up signs telling you who they are and what workshop they are about to facilitate. So PLEASE BE PROMPT if not a LITTLE EARLY, to enable the smooth running of the festival.

LETS ALL BE SMOOTH LIKE NEWT.... Not BUMPY LIKE A TOAD!.....
